

NORTHERN INDIA**27th January – 12th February 2001****S.J. Dark, D.M. Hanford & R.A. Herbert**[www.camacdonald.com/birding/asiaindia\(Darktripreport\).html](http://www.camacdonald.com/birding/asiaindia(Darktripreport).html)**Saturday 3rd January, 2001**

.....here we transferred to our river transport for the trip up river. It was an amazing experience, the river was like a mill pond and the birds didn't disappoint.

.....A wonderful trip and one more of my 'wanted list' namely Indian Skimmer ticked off. I think this is the only place left where you can guarantee Skimmers and it ought to be on everyone itinerary.
